Innovative interlocking luxury vinyl tiles

The Creation Click System is a brand new LVT, with clever interlocking technology that makes it fast to install, requires no adhesives and provides a range of inspiring finishes for your interior space.

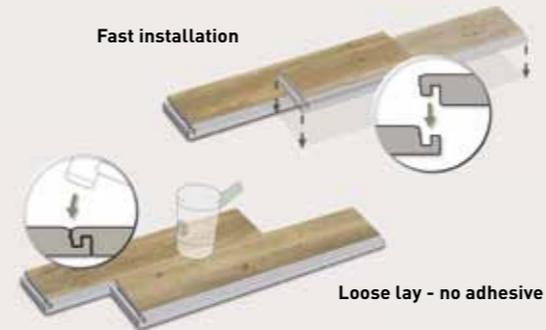

- **Saves you time and money**
Fast track, loose-lay and dry installation
- **Tough and durable**
Ideal for heavy traffic environments
- **Waterproof**
Resists leaks and spillages that damage wood based products
- **Quick and easy to maintain**
Enables single tiles to be replaced
- **Ideal for refurbishments**
Installs over existing floor finishes or imperfect sub-floors
- **Sound insulating**
Quieter than standard laminate

Fast track installation solution

All the benefits of a fast track, loose lay system.

- Interlocking planks that can be laid without adhesive - easier installation and removal
- Simple to cut - easily trimmed with a craft knife
- Clean installation - no noise or dust
- Minimum sub-floor preparation
- Can be laid on existing floor coverings

Fast & easy tile replacement

Ideal for refurbishment projects.

- Single tile lift - simply cut, remove and replace with a new tile!
- Fast and cheap to repair
